Trip Itinerary

July 11 [DEPART THE USA](#)

July 12 [ARRIVE IN REYKJAVIK, ICELAND](#)

Welcome to Reykjavik! At 6 pm, meet your Tour Director and traveling companions for a welcome dinner at your hotel. (Dinner)

July 13 [REYKJAVIK-HELLISHEIÐARVIRKJUN-GEYSIR-GULLFOSS-THINGVELLIR-BORGARNES](#)

After an orientation drive of pretty Reykjavik, enjoy an interesting visit to the geothermal heat and electric POWER STATION in Hellisheiðarvirkjun. Next, see the hot springs at the Geysir geothermal area and look forward to meeting the chef of the Geysir restaurant. Taste freshly baked bread, which is cooked using the heat from the hot springs, with Icelandic butter, boiled eggs and herring, and a glass of Geysir schnapps, served at freezing point. Then, marvel at the mighty Gullfoss waterfall and stop in Thingvellir, a geological paradise. Here, you will walk through the rift valley that marks the separation between the North American and European tectonic plates. (Breakfast, Dinner)

July 14 [BORGARNES-HAUGANES-AKUREYRI](#)

A real treat! At Hauganes, embark for an unforgettable experience: watch whales in their natural habitat! Continue to Akureyri for your overnight stay. (Breakfast, Dinner)

July 15 [AKUREYRI-GOÐAFOSS-LAKE MÝVATN-BORGARFJÖRÐUR EYSTRÍ](#)

During your orientation of the capital of northern Iceland, hear about the city's history after it was established as a trading center in 1602. Visit the BOTANICAL GARDEN, featuring specimens of almost all native Icelandic plants. Then, admire Goðafoss, known as the "Waterfall of the Gods." Enjoy a scenic drive to the lovely blue Lake Mývatn, teeming with bird life in one of Iceland's prettiest areas, and known for geothermal activity and producing colored deposits. Before arriving in Borgarfjörður Eystrí, take pictures of the most powerful waterfall in Europe, Dettifoss (road conditions permitting). You may even see puffins, known as the "clown of the sea" (end April mid-August). (Breakfast, Dinner)

July 16 [BORGARFJÖRÐUR EYSTRÍ-HÖFN](#)

In the morning, enjoy a "Meet the Locals" walking tour and hear about life in the rural Icelandic countryside over the centuries. Follow the eastern coast, where the first Irish missionaries settled some 200 years ago, and arrive in Höfn. (Breakfast, Dinner)

July 17 [HÖFN-LAKE JÖKULSÁRLÓN-SKAFTAFELL NATIONAL PARK- EYJAFJALLAJÖKULL-RANGARPING EYSTRÁ AREA](#)

Prepare for the highlight of the day: stop at Lake Jökulsárlón, where some of the most spectacular scenes of the James Bond movie Die Another Day were filmed. Watch how the largest glacier in Europe, Vatnajökull, flows into the lake, forming icebergs. An exciting optional boat trip is available through the icebergs. Drive through the national park at Skaftafell. On your way to the overnight hotel, see the Eyjafjallajökull volcano, well known for the eruption that generated the massive ash cloud in 2010. (Breakfast, Dinner)

July 18 [RANGARPING EYSTRÁ AREA-REYKJAVIK](#)

Return to Reykjavik. This afternoon, join an optional excursion to the Blue Lagoon. Tonight, a special farewell dinner awaits you at one of Reykjavik's fine restaurants to celebrate the success of your Icelandic Adventure. (Breakfast, Dinner)

July 19 [REYKJAVIK](#) Your vacation ends with breakfast this morning. (Breakfast): [Return home to the U.S.A.](#)
